Today I woke up

Cm

And looked outside

C#

they're all moving so fast

They're all moving so fast

G#

Cm

this light is far too bright

Fm

Then I got dressed up

Cm

And sat down again

C#

Oh I wish I was different

I wish I was different

G#

Cm

The pettiness remains

C#

G#

Cm

Fm

and I must admit I've never won the lottery

C#

G#

Cm

maybe just because I never played

Fm

And so I waste my days

C#

Without a light to chase

G#

I gotta leave this place

D# Cm

Or find a way

Fm

But I just sit and pray right here

C#

What is it that I fear?

G#

I need a remedy

D#

In any way

Cm

Today's my lucky day

Fm

Sometimes real life

Cm

Seems so afar

C#

But you're never as lonely

You're never as lonely

G#

Cm

As you think that you are

Fm

Need to remember

Cm

What I was taught

C#

The role of your lifetime

The role of your lifetime

G#

Cm

Is to never get caught

C#

G#

And I hope you know that

Cm

Fm

I didn't mean the lottery

C#

G#

Cm

I just think I should start to live

Fm

And so I waste my days

C#

Without a light to chase

G#

I gotta leave this place

D#

Cm

Or find a way

But I just sit and pray right here

D#

In any way

Cm

Today's my lucky day
