

**Where Is The Happiness**  
**Itchy Poopzkid**

Hi guys! Another one by Itchy Poopzkid, I m really obsessed with them right now  
..  
This one took me a little longer, but I think it s quite fine now. Tell me if  
there s anything you play different or that is wrong. Partly I m not a 100% sure  
if it s right so don t be too harsh.  
Please rate. :)

No capo.

Itchy Poopzkid " Where is the Happiness

**B B Abm Abm**

**B**  
Good morning innocence  
**B**  
Why did you leave last night  
**Abm**  
Self-doubts and disarray  
**Abm**  
Are always by my side

**B**  
Welcome back loneliness  
**B**  
Missed me a lot I guess  
**Abm**  
One question that I got is:  
**Abm**  
WHERE IS THE HAPPINESS?

**B B Abm Abm**

**B**  
A deadhearted frame of mind  
**B**  
It barely tries to hide  
**Abm**  
Hatred and arrogance  
**Abm**  
Never just fit me right

**B**  
But they re all just friends of mine  
**B**

Some are more some are less

**Abm**

One thing is never there

**Abm**

WHERE IS THE HAPPINESS?

**E**

They drift away

**B**

To my dismay

**Abm**

They come and go just like they want

**E F# Abm C# E**

But which one s gonna stay by me

**B F#**

I guarantee one thing is never there

**C# B**

Where is the happiness today?

**B B Abm Abm**

**B**

My brandnew loyalty

**B**

Meets my self-interest

**Abm**

The struggle a whole day

**Abm**

Cannot decide who s best

**B**

Welcome back loneliness

**B**

Who has given you access
