

Yesterday Night
Itchy Poopzkid

Hi guys!

Who would have guessed that? Another Itchy Poopzkid Song, I just love them so much and

I m going to see them next week *-*

So this one could be more difficult. You can change the chords, like using C7 or

something, but I m not really familiar with that so I just didn t write them down.

You can also add some In-between-chords between **G** and **Em**

(**E.G F#m**) or between **Em** and **D** (**E.G D#**)

The strumming is so much fun. You will figure it out by listening to the song.

So you

can put a lot of tricks in it, but you ll have to figure them out yourself and adjust it

to your guitarstyle.

Contact me for corrections, requests, questions etc.

Please rate. :)

No capo.

Itchy Poopzkid â€" Yesterday Night

G Em D C# C

G **Em**
Yesterday night started with a smile

Em **D**
Of the girl, that s sleeping right by my side.

D **C# C**
I wanted I needed to make her mine

C
For such a long time

G **Em**
It seemed so amazing and great to me

Em **D**
But suddenly, somehow all of my dreams

D **C# C**
Where fading and drifting so slowly away.

C
I guess those feelings were all

G **D**
Wrong and on and on and on and on.

D **Em**
I ve been wating for so long,

Em **C**
 Waiting for this night to come
D **G**
 But now i d better be moving
G **D**
 On and on and on and on
C
 And on
D **C** **G**
 Because this time everything went wrong.

G

G **Em**
 I thought, she was the one.
Em **D**
 Can anyone, anyhow be so wrong?
D **C#** **C**
 I was blinded, diverted by her sweet sight.
C
 Refused to look behind.
G **Em**
 Too bad I m down and that girl is out.
Em **D**
 Still way too hard to think and smile about.
D **C#** **C**
 I need some, some distance and time alone with this frustration.
G **Em** **D** **C**
 That s why I m running away leaving dreams behind.

G **D**
 On and on and on and on and on.

D **Em**
 I ve been wating for so long,
Em **C**
 Waiting for this night to come

D **G**
 But now i d better be moving
G **D**
 On and on and on and on
C
 And on
D **C** **G**
 Because this time everything went wrong.

G
 On And on And on And on
C
 On And on And on And on

G **D**
 Wrong and on and on and on and on.
D **Em**

I ve been wating for so long,
Em **C**
 Waiting for this night to come
D **G**
 But now i d better be moving
G **D**
 On and on and on and on
C
 And on
D
 Because this time
G **D**
 Wrong and on and on and on and on.
D **Em**
 I ve been wating for so long,
