

Verse 3:

Don t want to get by anymore
So many things I can t accept
It s you and it s me
Just what are we here for?
So many things I can t ignore
So, I don t want to get by anymore

Verse 4:

No, I don t want to die anymore
Don t call me home, no, not just yet
It s the good Lord and the Devil
Doing battle for my soul
Of the likes we ll never know
So, I don t want to die anymore

Chorus 2:

Well, it s a long road that takes me to my home
I don t know how much farther I can go
But if I hang on, for I know the road is long,
I could teach the world to sing my song

[CHORUS 1]
