Ivy Jane

this is from her upcoming EP, i heard this on triple j and she said it was a demo so im not sure its going to be the exact same from the EP but she said it would be more or less :) im not sure what the chord name for the C/G is but basically instead of a normal G, you move the top two fingers down a string each so it has a bit of a C in it too

Capo 3 although she sometimes plays it on 4
