

**F#**

Trees they keep words we speak

**B** **F#**

But they blow away

**Ebm** **C#** **F#** **B**

Please let me sleep by your door beneath the stars

**F#** **C#** **F#**

And listen to the sound of passing cars

**F#** **B** **F#** **Ebm** **C#** **F#** **B** **F#** **C#** **F#**

**F#**

Grass will grow through the snow

**B** **F#**

To find its all the same

**Ebm** **C#** **F#** **B**

Please let me sleep by your door beneath the stars

**F#** **C#** **F#**

And listen to the sound of passing cars

**Ebm** **C#** **F#** **B**

Please let me sleep by your door beneath the stars

**F#** **C#** **F#**

And listen to the sound of passing cars

(let the chords for this last one ring out)

**Ebm** **C#** **F#** **B**

Please let me sleep by your door beneath the stars

**F#** **C#** **F#**

And listen to the sound of passing cars
