## Who You Are Ivy Quainoo

This is a song sung as a duett by Ivy Quainoo(1) and Stanfour(2). Love the song very much and didn t find it. Please rate it if you liked it and tell me how to improve it if you didn t :-)

```
1:
D
I hear you say you re breaking up
seems no light can wake you up
but still you know, I want to try
F#m
to find out what s behind your sigh
cause we all need someone to hold us
and we all need someone to care
and we all need someone to lean on
who ll be there
Chorus:
Tell me, who you are
F#m
tell me, something that matters
tell me, who you are
there s nothing to hide
all that I m asking, is who you are
F#m
               G
                    Α
who you really are
2:
Life comes down with all that fault
F#m
to win love back and risk it all
I just can t give up on you
maybe cause I ve been there too
and we all need someone to hold us
```
