

Happy Again

Iwan Rheon

F#m G D E A

She brushes with tears

G D E A

Paints on her clothes, paves new spheres

F#m G D E A

Opens the curtain

G D E A

Toppling lost in the mud

C#m

Oh she s happy again

D

Cause all she sees is your own level head,

E

And all she breathes is the air that you shared

F#m

Lyin free in the place of your bed

F#m G D E A

She paints a picture,

G D E A

a canvas of gliding aura

F#m G D E A

The lights are clashing

G D E A

She saw that my heart is racing

C#m

Oh she s happy again

D

Cause all she see is your own level head,

E

And all she breathes is the air that you shared,

F#m

Lyin free in the place of your bed

A

Wait for me,

F#m

Wait till the morning,

E

We ll be fine

F#m

A

Wait for me, wait for me,

F#m

Wait till the morning,

E

We ll be fine

C#m

But is she happy again?

D

When all she sees is your own level head,

E

And all she breathes is the air that you shared?

F#m

Lyin free in the place of your bed

F#m G D E A

I ll meet her later

G D E A

When charring cross calls composure

F#m G D E A

Two twisted lovers

G D E A

One will look back, one never

C#m

Oh she s happy again

D

Cause all she breathes is the air that is free,

E

And all she sees are that shapes that she feels,

F#m

Lyin free with no thought of you and me

A

Wait for me,

F#m

Wait till the morning,

E

We ll be fine

F#m

A

Wait for me, wait for me,

F#m

Wait till the morning,

E

We ll be fine
