Hi guys. It s pretty simple song. It contains only two chord patterns) Enjoy

Tuning: Standard

**A#** - 688766  
**A/F** - 587565  
**Gm** - 355333  
**D#** - x68886  
**F** - 133211

[INTRO]

**A# A/F Gm D#** [x2]

[VERSE]

**A#** **A/F** **Gm** **D#**  
Everybody tells me that you re pretty  
**A#** **A/F** **Gm** **D#**  
And I always try to disagree, ohh  
**A#** **A/F**  
To see you with another guy  
**Gm** **D#**  
Would tear me up deep inside  
**A#** **A/F** **Gm** **D#**  
Cuz they don t know you once belonged to me  
Ohh oh

[CHORUS]

**A#** **A/F** **Gm** **D#**  
I know it would be awkward running into you that way  
**A#** **A/F** **Gm** **D#**  
It was okay til you said that word to me  
**A#** **A/F**  
Oh no you didn t just call me friend  
**Gm** **D#**  
Oh no I must be hearing things  
**A#** **A/F**

You can call me wrong

**Gm**

You can call me right

**D#**

But don t you call me friend tonight

**A#** **A/F** **Gm**

Oh no you didn t just say we re through

**D#**

Oh no I aint never gettin over you

**A#** **A/F** **Gm**

Tell me that I m crazy chasing you again

**D#**

Oh ohh, but don t you call me friend

**A#**

Don t you call me

**A/F**

Don t you, don t you call me

**Gm**

Don t you call me

**D#**

Don t you call me friend

**A#**

Don t you call me

**A/F**

Don t you, don t you call me

**Gm**

Don t you call me

**D#**

Don t you call me friend

[VERSE]

**A#** **A/F**

I aint gonna lie

**Gm** **D#**

You look so happy

**A#** **A/F** **Gm** **D#**

Wish there was something I could still make you feel

**A#** **A/F**

Every smile makes me wanna fall apart

**Gm** **D#**

Every laugh is like a bullet to my heart

**A#** **A/F**

Cuz I m at the end of the room

**Gm** **D#**

Watching every guy coming at you

[CHORUS]

**A#** **A/F** **Gm** **D#**

I know it would be awkward running into you that way

**A#**                    **A/F**                    **Gm**                    **D#**  
It was okay til you said that word to me  
**A#**                    **A/F**  
Oh no you didn t just call me friend  
**Gm**                    **D#**  
Oh no I must be hearing things  
**A#**                    **A/F**  
You can call me wrong  
                                 **Gm**  
You can call me right  
                                 **D#**  
But don t you call me friend tonight  
**A#**                    **A/F**                    **Gm**  
Oh no you didn t just say we re through  
                                 **D#**  
Oh no I aint never gettin over you  
**A#**                    **A/F**                    **Gm**  
Tell me that I m crazy chasing you again  
                                 **D#**  
Oh ohh, but don t you call me friend  
**A#**  
Don t you call me  
**A/F**  
Don t you, don t you call me  
**Gm**  
Don t you call me  
**D#**  
Don t you call me friend  
**A#**  
Don t you call me  
**A/F**  
Don t you, don t you call me  
**Gm**  
Don t you call me  
**D#**  
Don t you call me friend

[BRIDGE]

**A#**                    **D#**                    **F**  
A friend don t think about you when he s dreaming  
                                 **Gm**                    **D#**  
Or every single minute that he s breathing  
**F**  
So why is this so hard to believe  
**A#**                    **D#**                    **F**  
A friend wont do it all to try to please you  
                                 **Gm**                    **D#**  
A friend can never kiss you when he sees you  
**F**  
& you know I wont so just please don t call me friend

[CHORUS]

**A#**                    **A/F**                    **Gm**                    **D#**  
I know it would be awkward running into you that way

**A#**                    **A/F**                    **Gm**                    **D#**  
It was okay til you said that word to me

**A#**                    **A/F**  
Oh no you didn t just call me friend

**Gm**                    **D#**  
Oh no I must be hearing things

**A#**                    **A/F**  
You can call me wrong

**Gm**  
You can call me right

**D#**  
But don t you call me friend tonight

**A#**                    **A/F**                    **Gm**  
Oh no you didn t just say we re through

**D#**  
Oh no I aint never gettin over you

**A#**                    **A/F**                    **Gm**  
Tell me that I m crazy chasing you again

**D#**  
Oh ohh, but don t you call me friend

**A#**  
Don t you call me

**A/F**  
Don t you, don t you call me

**Gm**  
Don t you call me

**D#**  
Don t you call me friend

**A#**  
Don t you call me

**A/F**  
Don t you, don t you call me

**Gm**  
Don t you call me

**D#**  
Don t you call me friend
