**Dm A# Gm Dm**

[INTRO]

[VERSE]

She s mad, been hurt for the very last time,

He s gonna pay for the tears

comin down her eyes,

Those lies is gonna turn into a crime.

Yeahh.

She says that she s not gonna hurt no more,

He s there but he don t even know, oh ohh

He s layin down under the floor.

Yeah.

[CHORUS]

Now she s pacing back and back and forth,

He s smilin but he don t even know

what she s gonna do,

But he s bout to find out soon.

Stacy s got a gun now, a gun now

Somebody gettin gunned down, gunned down.

Nobody really know how, know how

she blow him away.

Stacy on the run now, run now,

Somebody got gunned down, gunned down,

Nobody really know how, know how

she blow him away.

[VERSE]

She s scared, thinkin like what have i done?

In her mother car drivin on the run,

Close to the borderline, trying to hide that gun

- from the law who s right behind her car.  
She can see them getting close in the rear-view mirror,  
She s a killer, i don t think she s gonna get too far.

[CHORUS]

Now she s pacing back and back and forth,  
He s smilin but he don t even know  
what she s gonna do,  
But he s bout to find out soon.  
Stacy s got a gun now, a gun now  
Somebody gettin gunned down, gunned down.  
Nobody really know how, know how  
she blow him away.  
Stacy on the run now, run now,  
Somebody got gunned down, gunned down,  
Nobody really know how, know how  
she blow him away.

[BRIDGE]

She runnin and a runnin and a runnin away,  
She runnin and a runnin and a runnin away,  
She runnin and a runnin but can she get away.  
She runnin and a runnin and a runnin away,  
She runnin and a runnin and a runnin away,  
She runnin and a runnin but can she get away? (runnin away)

[CHORUS]

Stacy got a gun now, a gun now  
Somebody s gettin gunned down, gunned down.  
Nobody really know how, know how  
she blow him away.  
Stacy on the run now, run now,  
Somebody got gunned down, gunned down,  
Nobody really know how, know how  
she blow him away.
