[INTRO]

Cm G#

[VERSE]

Cm

when my days are dark and my nights are cold
you come over so i won t be alone

G#

you canceled an engagement with your friends
i cherish every single second that we spend

A#

and i can count on you to never let me down

Cm

G#

you tell me that you love me without making a sound

A#

and i can t help the way i feel when you are around

[CHORUS]

D#

D/A#

cos when the sun comes out on a rainy day

Cm

G#

and i thought i ll never love again but now i say

D#

D/A#

there you are (there you are, you are, you are, you are, you are)

Cm

G#

there you are

D#

D/A#

when the times got hard they said you ll leave

Cm

G#

turns out you were the only one that stood by me

D#

D/A#

there you are (there you are, you are, you are, you are, you are)

Cm

G#

there you are

[VERSE]

Cm

it s funny how them other guys checking you
and saying i can t do the things they can do

G#

but i got something they can never get
and this will be around even when money ain t

A#

Cm

and i can count on you to never let me down

G#

you tell me that you love me without making a sound

A#

and i can t help the way i feel when you are around

[CHORUS]

D#

D/A#

cos when the sun comes out on a rainy day

Cm

G#

and i thought i ll never love again but now i say
