

Where To Land
Izzy Miller

G **C** **D**
I ve been thinkin about you baby
G **C** **D**
I ve been drinkin just a little too much
G **C** **D**
In between the promises and sad songs
G **C** **D**
I feel as if I m losing my touch

G **C** **D**
I ve been laying around lately
G **C** **D**
I ve been just a bit on edge
G **C** **D**
Somewhere out here in these spotlights
G **C** **D**
I feel myself slipping off the ledge

C **D** **G**
And you re a million miles away from here
C **D** **Em**
I can t figure out where I stand
C **D** **G**
Some days I feel like I m fading
C **D** **Em**
Others, I don t know where to land

You ve been thinkin about leavin
And I ve been thinkin of fallin apart
But there s numbers on the wall
I guess I can always buy a heart

And you re a million miles away from here
I can t figure out where I stand
Some days I feel like I m fading
Others, I don t know where to land
