Where To Land Izzy Miller

I ve been thinkin about you baby

G C D

I ve been drinkin just a little too much

G C D

In between the promises and sad songs

G C D

I feel as if I m losing my touch

G C D

I ve been laying around lately

G C D

I ve been just a bit on edge

G C D

Somewhere out here in these spotlights

C D G

And you re a million miles away from here
C D Em

I can t figure out where I stand
C D G

Some days I feel like I m fading
C D Em

Others, I don t know where to land

I feel myself slipping off the ledge

You we been thinkin about leavin
And I we been thinkin of fallin apart
But there s numbers on the wall
I guess I can always buy a heart

And you re a million miles away from here I can t figure out where I stand Some days I feel like I m fading Others, I don t know where to land
