

Where To Land

Izzy Miller

F **Bb** **C**
I ve been thinkin about you baby

F **Bb** **C**
I ve been drinkin just a little too much

F **Bb** **C**
In between the promises and sad songs

F **Bb** **C**
I feel as if I m losing my touch

F **Bb** **C**
I ve been laying around lately

F **Bb** **C**
I ve been just a bit on edge

F **Bb** **C**
Somewhere out here in these spotlights

F **Bb** **C**
I feel myself slipping off the ledge

Bb **C** **F**
And you re a million miles away from here

Bb **C** **Dm**
I can t figure out where I stand

Bb **C** **F**
Some days I feel like I m fading

Bb **C** **Dm**
Others, I don t know where to land

You ve been thinkin about leavin
And I ve been thinkin of fallin apart
But there s numbers on the wall
I guess I can always buy a heart

And you're a million miles away from here
I can't figure out where I stand
Some days I feel like I'm fading
Others, I don't know where to land
