

# Where To Land

## Izzy Miller

**F** **Bb** **C**  
I ve been thinkin about you baby

**F** **Bb** **C**  
I ve been drinkin just a little too much

**F** **Bb** **C**  
In between the promises and sad songs

**F** **Bb** **C**  
I feel as if I m losing my touch

**F**                      **Bb**                      **C**  
I ve been laying around lately

**F**                      **Bb**                      **C**  
I ve been just a bit on edge

**F**                      **Bb**                      **C**  
Somewhere out here in these spotlights

**F**                      **Bb**                      **C**  
I feel myself slipping off the ledge

**Bb** **C** **F**  
And you re a million miles away from here

**Bb** **C** **Dm**  
I can t figure out where I stand

**Bb** **C** **F**  
Some days I feel like I m fading

**Bb** **C** **Dm**  
Others, I don t know where to land

You ve been thinkin about leavin  
And I ve been thinkin of fallin apart  
But there s numbers on the wall  
I guess I can always buy a heart

And you're a million miles away from here  
I can't figure out where I stand  
Some days I feel like I'm fading  
Others, I don't know where to land
