

Where To Land
Izzy Miller

A **D** **E**
I ve been thinkin about you baby
A **D** **E**
I ve been drinkin just a little too much
A **D** **E**
In between the promises and sad songs
A **D** **E**
I feel as if I m losing my touch

A **D** **E**
I ve been laying around lately
A **D** **E**
I ve been just a bit on edge
A **D** **E**
Somewhere out here in these spotlights
A **D** **E**
I feel myself slipping off the ledge

D **E** **A**
And you re a million miles away from here
D **E** **F#m**
I can t figure out where I stand
D **E** **A**
Some days I feel like I m fading
D **E** **F#m**
Others, I don t know where to land

You ve been thinkin about leavin
And I ve been thinkin of fallin apart
But there s numbers on the wall
I guess I can always buy a heart

And you re a million miles away from here
I can t figure out where I stand
Some days I feel like I m fading
Others, I don t know where to land
