Baby Rann
Izzy Stradlin

Here s the basic chords that are on this great song by Izzy Stradlin, this is more or
less just to get you started on the root notes of the song. I transcribed this in standard
tuning, but it may actually be played half a step down.

Verse - **F#**, **A**, **E**, **B**

Chorus - **B**, **C#**

Solo - **Ab**, **B**, **C#**

I m pretty sure these are the right chords, if not you can figure it out instead. :)
