```
   C          G/B    Am      G
Good enough for someday
   F       G   C
Good enough for me
   C          G/B    Am      G
Good enough for someone
   F       G   C          G/B
Good enough ya see
```

```
                -------------------------
```

```
Am                              G
Been lookin for the words to tell you what I d say
Am                              G       F     Fm     Dm
I d have to make them up & write them down today
```

```
                -------------------------
```

```
C          G/B   Am    G
Good enough for ever
F      G    C
Good until my grave
C          G/B   Am    G
Good enough for after
F       G   C          G/B
Good enough to save
```

```
                -------------------------
```

```
Am                              G
The nerves are damaged from the blinking of the strobe
Am                              G       F     Em    Dm
And I m not one to question what he done it for
