**E5**

Check your points, ignition, timing, countdown pressure

**A5**

Thirty-four pounds when its cold add more & torque it

**E5**

To its max, select your drive position, light a

**A5**

cigarette & put the lights on bright and let it go !

E

Oh Methanol !

D

Methanol !

E

Methanol !

D

Methanol !

B - C - D - E

-----

E5

Fill with gas & let me check your oil & wipe your

A5

Window shield, top of your waters boilin, grab a

E5

drink ta go, empty out your ashtray & hang your

A5

loaded dice up on the rear view mirror then let it go !

E

Yeh, I got about another lap Im gonna get him now

He s leaning over gonna hit the wall a spinnin round

B

C

D

He s rollin over into the corner

B

C

D

I m smellin smoke, I think he s burning up his motor

B

C

D

I pass him up cos I drove a little smoother now
