          G                  C                  D  
there ain t nothin goin on out in Needles  
          G                  C                                  D  
there ain t nothin goin on there that s why I go  
          G                  C                  D          D5      C#5      C  
there ain t nothin goin on in Needles  
          D                                  G          Cadd9      G  
check in my hotel I m layin low

(riff 1)      C          D                  G          Cadd9      G

          G                  C                  D  
I get no calls when I go out ta Needles  
          G                  C                                  D  
yeah I sleep into the morning til I m through  
          G                  C                  D          D5      C#5      C  
then I get up and I take my motorcycle  
          D                                  G          Cadd9      G      (riff 1)      C  
I ride off out there and I feel good  
                                  D                                  G          Cadd9      G  
Yeah I take off out there and I feel good

( G2      F#      Em )

          Dsus2      G2      F#      Em  
no complications  
          Dsus2      G2      F#      Em  
no complications  
          Dsus2  
no complications  
          C          D          G2      F#      Em  
when you re here  
          Dsus2      G2      F#      Em  
so complicated  
          Dsus2      G2      F#      Em

so complicated

Dsus2

so complicated

C D

when you re there

(solo 3x) G# C# D#

( D#5 D5 C# D# G# C# G# )

(riff 2) C# D# G# C# G#

F Bb C

found a person out walkin toward Needles

F Bb C

he d been walkin for five days and man it showed

F Bb C C5 B5 Bb

gave him water and then asked him where he came from

C F Bb F (riff 3) Bb

Mi pueblo esta en Mexico

C F Bb F

he said he came up from Mexico

G C D

we gave him a ride up to the next town

G C D

through the desert was 30 miles or more

G C D D5 C#5 C

said he d take him a greyhound bus to la

D G Cadd9 G (riff 1) C

I hope he made it I ll never know

D G

I ll bet he did though yeah I hope so
