

**Anchor For The Soul**  
**J Brian Craig**

VERSE 1 AND CHORUS

**G** **Am**  
Anchor for the soul, shelter for the storm  
**C** **Dsus** **G**  
Thunder and the lightning can be very frightening but God is in control.  
**G** **Am**  
Anchor for the soul, shelter from the storm  
**C** **Dsus** **G**  
Manna in the morning, blessing overflowing, leading us to home

VERSE 2

**G** **Am**  
This world's not my home just a passing through  
**C** **Dsus** **G**  
Through this life I wander, treasure stored up yonder somewhere beyond the blue  
**G** **Am**  
On my way I learn through each path I take  
**C** **Dsus** **G**  
Every day I'm growing, on my way I'm knowing heaven's worth the wait

VERSE 3

**G** **Am**  
When the day is gone when my journey ends  
**C** **Dsus** **G**  
Won't be nothing better than to be together with all my faithful friends  
**G** **Am**  
We'll all join in song, gathered round the throne  
**C** **Dsus** **G**  
There'll be no more sorrow someday when tomorrow heaven is our home
