Even though we fight a million times over little things We can still make it better

I meant what i said when i gave you that promise ring

That ima love you forever

Fall for you deeper everyday;

Feel it now girl more than ever

But with our type of love... forever aint enough

[Verse 2]

You see me for who I am and not for who im not Im telling you that im sorry
If I tend to treat you the wrong way

Even though we fight a million times over little things We can still make it better

I meant what i said when i gave you that promise ring
