We always got love
For where we come from
So let em know what s up, ooh
No matter wherever we go
Bring it back to this place called home, baby
Now that you know that
Let me see you

Chicken noodle o pollo con espagueti
Ninguna de estas mujeres tiene el flow que tiene Becky
Latinoamericana, soy de aquí
Carita de santa, pero freaky

Yeah
Qué me va a decir (huh)
Si ya to lo vi (huh)
Donde yo nació
No pensaban que una mujer iba a sobresalir

What you gonna do? What you gonna do?
What you gonna do? What you gonna do?
What you gonna do? What you gonna do?
What you gonna do? What you gonna do?

Look back at it
Lights, camera, action
Definitivamente la mejor de la escena
Word on the street we got the people reactin
La gente que critica simplemente me da pena

We always got love
For where we come from
So let em know what s up, ooh
No matter wherever we go
Bring it back to this place called home, baby
Now that you know that
Let me see you

I let it rain, I clear it out
I let it rain, I clear it out
I let it rain, I clear it out
I let it rain, I clear it out

Let s get it, let s get it
Let s get it, let s get it
Let s get it, let s get it
Let s get it, let s get it
I let it rain, I clear it out
I let it rain, I clear it out

Chicken noodle soup

Chicken noodle soup
Chicken noodle soup wit a soda on the side

Let it be your rain, and bring it out, yo
Let it be your rain, just bring it out
Let it be your rain, and bring it out, yo
Let it be your rain, just bring it out
Let it rain no more, I clear it out

Let s get it, let s get it
Let s get it, let s get it
Let s get it, let s get it
Let s get it, let s get it.
