G
I got more i got no need
Em
i got nothing i could leave
C **G**
i got things that you should see
G
i went riding all around
Em
hit the pass i built this sound
C **G**
tryâ€™d to picture it going dow-wow-n

G **Em**
come on away from me is it done
C **G**
come on away from me is it done
G **Em**
come on away from me is it done
C **G**
come on away from me is it done

felt a pull i pulled away
we got nothing that ill say
still i feel its not this way

waiting nothings goin round
cant seem to get it of the ground
seeing if ill come around

come on away from me is it done
come on away from me is it done
come on away from me is it done
