

Listen To Me
J Mascis

This is a straightforward version of this beautiful song for one guitar.

Sorry, I ve no real idea on the lyrics!

I ve written it really basic, but there s plenty to do around the chords.

Intro: **G Am Bm Am**

Verse:

G
Listen to me

Am
I can t wait...

Bm
I can t wait...

Am
I can t wait..

Chorus:

C **D Em**
Waiting s is all we do oo (repeat for next lines)

Finish off the chorus with:

D **Em** **C** **C** (with B string left open)
A place where we can rest

Then back to the verse.
