Losing It

By the J. Meyer Band

At the beginning and throught the whole song use this riff:

E:----2---|
B:---3-----|
G:--0------|
D:------|
A:-----|

Your guess is as good as mine at the lyrics, at the beggining it starts:

E G A E (X4)

A D G A (x2)

Repeat those chords and then at the end it ends like this:

E D B(barred) C A
