Jacco Gardner - Chameleon

G#m

G#m Bm D

All the lights are flashing by

Em F#

I m hiding in my dream

G#m Bm D Em F#

Am I the only one with all these questions in my brain

G#m F#

I try to close my eyes

G#m F#

Until the answer came

G#m F#

I want to float away

G#m F#m

But all these clouds just look the same

G#m

G#m Bm D Em F#

Are my dreams really gone like the girl with golden hair?

G#m Bm D

I m always wondering

Em F#

Are you really there?

G#m F#

You walk behind the hallways

G#m F#

Following my steps

G#m F#

It s right in front of me

G#m F#m

But you know the way back

Chorus:

F# G

I m a chameleon

Em F#

I m changing everyday

F# G

I m sitting in my dream

Em F#

Not sure where I will stay

G#m

**G#m**                    **Bm**            **D**  
All the stars are shining bright  
      **Em**                    **F#**  
I m swimming in the deep  
      **G#m**                    **Bm**    **D**        **Em**                    **F#**  
Please tell me where I stand or forever I will sleep  
      **G#m**                    **F#**                    **G#m**    **F#**  
He doesn't seem to realize it's there  
      **G#m**                    **F#**                    **G#m**    **F#m**  
In the darkness down below he sits and stares

**G#m**

**G#m**        **Bm**            **D**                    **Em**                    **F#**  
And all the colours you'll see wide and you'll get blind  
**G#m**                    **Bm**                    **D**                    **Em**                    **F#**  
You're always there to ask me questions in my mind  
      **G#m**                    **F#**                    **G#m**    **F#**  
He doesn't seem to realize it's there  
      **G#m**                    **F#**                    **G#m**    **F#m**  
In the darkness down below he sits and stares

Chorus 4x

Keep on playing these chords until the song fades out:

**F#** **G**  
**Em** **F#**
