Tickets To Waterfalls (Jack Bruce - Pete Brown)

I'm not entirely sure about the **Ab E7** bit

Introduction Piano Lick

The melody suggests **Am Dm Bdim E F** then

**Am C F F F F G Am C Ab7 E7**

**C D E Ab Bb C D E**

*verse 1*

**Am F D G**

I bought you tickets for the waterfalls

**E F G Am**

And you poured away all the change

**Am C F F F F G**

Trained your bicycle to dance

**Am C Ab7 E7**

Told it tales of window boxes and people with locks

**C D E**

While you filed away the time

**Ab Bb C D E**

And lost the place in the river.

*verse 2*

**Am F D G**

Couldn't do anything about the days

**E F G Am**

But I helped with some of the nights

**Am C F F F F G**

You worked my blisters to the bone

**Am C Ab7 E7**

Playing songs of tiny men and bridges in wine

**C D E**

While you led the time astray

**Ab Bb C D E**

And lost your head in the rainbow.

Bridge 1 (to 3) **G D F**

Bridge 2 (to 4) **C G Bb F**

*verse 3/4*

**Am F D G**

You never saw anything glittering

**E F G Am**

But you had to melt it down

**Am C F F F F G**

I made your rivers all run dry

**Am C Ab7 E7**

Soaked them up with train timetables and carpets of lies

**C D E**

And I listened to your smile,

**Ab Bb G A G A G A G A** etc to fade

& found my place in the morning.
