I'm not entirely sure about the **Ab E7** bit

Introduction Piano Lick

The melody suggests **Am Dm Bdim E F** then

Am C F F F F G Am C Ab7 E7

C D E Ab Bb C D E

verse 1

Am F D G
I bought you tickets for the waterfalls

E F G Am
And you poured away all the change

Am C F F F F G
Trained your bicycle to dance

Am C Ab7 E7
Told it tales of window boxes and people with locks

C D E
While you filed away the time

Ab Bb C D E
And lost the place in the river.

verse 2

Am F D G
Couldn't do anything about the days

E F G Am
But I helped with some of the nights

Am C F F F F G
You worked my blisters to the bone

Am C Ab7 E7
Playing songs of tiny men and bridges in wine

C D E
While you led the time astray

Ab Bb C D E
And lost your head in the rainbow.

Bridge 1 (to 3) **G D F**

Bridge 2 (to 4) **C G Bb F**

verse 3/4

Am F D G
You never saw anything glittering

E F G Am

But you had to melt it down

Am C F F F F G

I made your rivers all run dry

Am C Ab7 E7

Soaked them up with train timetables and carpets of lies

C D E

And I listened to your smile,

Ab Bb G A G A G A G A etc to fade

& found my place in the morning.
