

Over You
Jack Green

This is my first tab so if it doesn't work, don't eat me `_
This is the way Jack plays it:

Intro: **G,D,Em,C** (x2)

G

I've been waiting, but you're here now,

D

And I don't wanna hear another sound, but

Em

Your breathing on the phone,

C

Don't tell me you're alone.

G

You think it's easier to run and hide,

D

But I see the darkness in your eyes,

Em

And the pain in your uneven smile,

C

Your sadness isn't worth my while.

G

I'm sat here, thinking 'bout the things we'd do,

D

You could love me and I could love you

Em

I'm sat here, waiting at this table for two,

C

Wondering if our love is true.

CHORUS

G

D

Breathing in, screaming out,

All I did was make you proud.

Em

C

You made a fool of me, and now I'm over you.

G

D

Talking fast, you make no sense,

I feel like I am in a trance.

Em

You made a fool of me,

C

And now I'm over you.

G, D, Em, C

G

I walk home and I m crying,

D

You run after me, you re trying...

Em

to make me forget about you,

C

or at least the things you do.

G

Ignoring every word you said,

D

my broken heart s resting in my bed,

Em

and now my pillow s wet,

C

from all the tears you ve left.

G

Now you re remembering the things we do,

D

I d swim to the bottom of the ocean for you.

Em

All my emotions I ve stated are true,

C

But you broke my heart when you said we re through.

CHORUS

G

D

Breathing in, screaming out,

All I did was make you proud.

Em

C

You made a fool of me, and now I m over you.

G

D

Talking fast, you make no sense,

I feel like I am in a trance.

Em

You made a fool of me,

C

And now I m over you.

G

With every step you re taking,

Every move you re making,

D

It s a heart you re breaking.

Em

C

You made a fool of me, but now I m over you

G

And every minute I m losing,
cos I m still bruising from the scars you left on my heart

Em **C**

You made a fool of me, but now I m over you

CHORUS

G **D**

Breathing in, screaming out,

All I did was make you proud.

Em **C**

You made a fool of me, and now I m over you.

G **D**

Talking fast, you make no sense,

I feel like I am in a trance.

Em

You made a fool of me,

C

And now I m over you.

G **D**

Breathing in, screaming out,

All I did was make you proud.

Em **C**

You made a fool of me, and now I m over you.

G **D**

Talking fast, you make no sense,

I feel like I am in a trance.

Em

You made a fool of me,

C

And now I m over you.

G, D, Em, C

(But now I m over you)

End on **C**
