E|-----3-----|
```

Acordes:

C x32010
F 133211
G 320003
Am x02210

Intro: C 4x

C F
Your voice is adrift, I can t expect it to sing to me
C F
As if I was the only one I ll follow you
C
The leaf that s following the sun
G
When will my weight be too much for you?
Am G F
When will these ideas really be my own?
C*
Cause this moment keeps on moving
G C
We were never meant to hold on
C F
This was a scene worth waking up for when I woke up
C
you planted me in my own body
F C
Don t know why but somehow it just feels so wrong
G
When you re sad I will be lonely
Am G F
But when you rise again I ll become the sun
C*
I will shine down upon you
G C
As if you were the only one

C
Your voice is your own, I can't protect it
F C
You'll have to sing a verse no one has ever known
F C
Don't be afraid cause no one ever sings alone
G
Your way will never be too much for me
Am G F
Your ideas have always been your own
C*
And this moment keeps on moving
G C
We were never meant to hold on

Fade:

C C F C F
