

Angel / Better Together (medley)  
Jack Johnson

[Intro] C C/B Am F Dm G C

I ve got an angel  
She doesn't wear any wings  
She wears a heart  
That could melt my own  
She wears a smile  
That could make me want to sing

She gives me presents

With her presence alone  
She gives me everything

I could wish for  
She gives me kisses on the lips  
Just for coming home

She can make angels

I've seen it with my own eyes  
You've gotta be careful

When you've got good love  
Cause them angels

Will just keep  
On multiplying

You're so busy  
Changing the world

**Dm**

Just one smile

**G**

You could change all of mine

**C**

We share the same soul

**C/B Am**

Oh, oh, oh, ohhh

**C**

We share the same soul

**C/B Am**

Oh, oh, oh, ohhh

**F**

Oh, oh, oh, ohhh

**Dm C**

Umm, umm, umm, uhhhhhhmm

**C**

**C/B**

There s no combination of words

**Am**

**G**

I could put on the back of a postcard

**F F/E**

No song that I could sing but

**Dm G**

I can try for your heart

**C**

**C/B**

Our dreams and they are

**Am**

**G**

Made out of real things

**F**

**F/E**

Like a shoebox of photographs

**Dm**

**G**

With sepia-toned loving

**C**

**C/B**

Love is the answer at least

**Am**

**G**

For most of the questions in my heart

**F F/E**

**Dm**

Why are we here? And where do we go?

**G**

And how come it s so hard?

**C**

**C/B**

It s not always easy and sometimes

**Am**

**G**

Life can be deceiving

**F F/E**

I ll tell you one thing

**Dm**

**G**

It s always better when we re together

[Refrão]

**F**  
Hum it s always  
**G** **F#**  
Better when we re together  
**F**  
Yeah we ll look at the  
**G** **F#**  
Stars when we re together  
**F**  
Well it s always  
**G** **F#**  
Better when we re together  
**F**  
Yeah it s always  
**G**  
Better when we re together

( **C** **C/B** **Am** **G** )  
( **F** **F/E** **Dm** **G** )

**C**  
And all of these moments just might  
**C/B** **Am** **G**  
Find their way into my dreams tonight  
**F** **F/E**  
But I know that they ll be gone  
**Dm** **G**  
When the morning light sings  
**C** **C/B**  
Or brings new things  
**Am** **G**  
For tomorrow night you see  
**F** **F/E**  
That they ll be gone too  
**Dm** **G**  
Too many things I have to do

**C**  
But if all of these dreams might find  
**C/B** **Am** **G**  
Their way into my day to day scene  
**F** **F/E**  
I d be under the impression  
**Dm** **G**  
I was somewhere in between  
**C** **C/B**  
With only two, just me and you  
**Am** **G**  
Not so many things we got to do

**F** **F/E**  
Or places we got to be we ll sit

**Dm** **G**  
Beneath the mango tree now

[Refrão]

**F**  
Yeah it s always

**G** **F#**  
Better when we re together

**F**  
Hum we re somewhere

**G** **F#**  
In between together

**F**  
Well it s always

**G** **F#**  
Better when we re together

**F**  
Yeah it s always

**G**  
Better when we re together

( **C** **C/B** **Am** **G** )

( **F** **F/E** **Dm** **G** )

**Dm** **G**  
I believe in memories they look so

**Dm** **G**  
So pretty when I sleep

**Dm** **G**  
And now when, and when I wake up

**Dm**  
You look so pretty

**G**  
Sleeping next to me

**F** **G**  
But there is not enough time

**F** **G**  
And there is no no song I could sing

**F** **G**  
And there is no combination of words

**F**  
I could say but I will still

**G**  
Tell you one thing  
We re better together
