

Angel

Jack Johnson

[Intro] C C/B Am F Dm G C

I ve got an angel
She doesn't wear any wings
She wears a heart
That could melt my own
She wears a smile
That could make me want to sing

She gives me presents
With her presence alone
She gives me everything
I could wish for
She gives me kisses on the lips
Just for coming home

She can make angels
I ve seen it with my own eyes
You ve gotta be careful
When you ve got good love

Cause them angels
Will just keep
On multiplying

You re so busy
Changing the world

Just one smile

You could change all of mine
