

Breakdown

Jack Johnson

C **Em**
I hope this old train breaks down
Am **G**
Then i could take a walk around
C **Em**
And, see what there is to see
Am **G**
And time is just a melody
C
All the people in the street
Em
Walk as fast as their feet can take them
Am **G**
I just roam through town
C
And though my windows got a view
Em
The frame im looking through
Am **G**
Seems to have no concern for me now
So for now

C **Em**
I need this
Am **G**
Old train to breakdown
C **Em**
Oh, please just
Am **G**
Let me please breakdown

C **Em**
This engine screams out loud
Am **G**
Sayin the beat gonna crawl westbound
C **Em**
So i dont even make a sound
Am **G**
Cause its gunna sting me when i leave this town
C
All the people in the street
Em
That i ll never get to meet
Am **G**
If these tracks dont bend somehow
C
And i got no time

The wisdoms in the trees
