And I would turn on the tv, but it s so embarrassing,
to see all the other people, i dont know what they mean,
it was magic at first, when they spoke without sound,
but now this world is gonna hurt, you better turn that thing down,
turn it around,

But it wasn t me, says the boy with the gun,
sure i pulled the trigger, but it needed to be done,
because lies been killing me ever since it begone,
you can t blame me because im too young,

You can t blame me, sure the killer was my son,
but i didn t teach him to pull the trigger of the gun,
it s the killing on his tv screen,
you cant blame me, it s those images he seen,

Well you can t blame me says the media man,
Well I wasn t the one who came up with the plan,
And i just point my camera at what the people want to see,
Man it s a two way mirror and you can t blame me,

You can t blame me, says the singer of the song,
or the maker of the movie which he based his life on,
it s only entertainment, as anyone can see,
it s smoke machines and makeup, man you can t fool me,

It was you, it was me, it was every man,
we ve all got the blood on our hands,
we only receive what we demand,
and if we want hell then hells what well have,

And I would turn on the tv, but it s so embarrassing,
to see all the other people, don t even know what they mean,
it was magic at first, but let everyone down,
and now this world is gonna hurt, you better turn it around,
turn it around.
