(riff 1)

Do you remember when we first met?  
I sure do, it was some time in early September

(riff 2)

You were lazy about it, you made me wait around  
I was so crazy about you I didn t mind

(riff 2)

So I was late for class, I locked my bike to yours  
It wasn t hard to find, you painted flowers on it

(riff 2)

I guess that I was afraid that if you rolled away  
You might not roll back my direction real soon

A

Well I was crazy about you then and now

G F#m Em

The craziest thing of all is over ten years have gone by

Em Em

And you re still mine, we re locked in time

A G F#m Em

Let s Rewind

(riff 2)

Do you remember when we first moved in together?  
The piano took up the living room

(riff 2)

You played me boogie-woogie I played you love songs  
You d say we re playing house now you still say we are

(riff 2)

We built our getaway up in a tree we found  
We felt so far away but we were still in town

(riff 2)

Now I remember watching that old tree burn down  
I took a picture that I don t like to look at

A

Well all these times they come and go  
And alone don t seem so long

G F#m Em

Over ten years have gone by

Em

We can't rewind, we're locked in time

A G F#m Em

But you're still mine

(riff 3)

Do you remember?
