C#m

Drink the water drink it down

This time I know I m bound

G#

To spit it back up

F#

I didn t want this

C#m

Salty substitute, just not going to do

G#

F#

I need some air, if I m going to live through

C#m

This experience reminds me of a clock

G#

That just won t tick

F#

I want to wake up

C#m

From this concussion

But my dreams just not done

G#

I m late again,

F#

C#m

It s just one of those bad days

Look outside and

Be careful what you ride

G#

You just might find

F#

E

That you re out of time

G# C#m
 To swim ashore
 E G#
 If I drift long enough
 C#m
 I ll be home

He s got delusions between his ears
 Man it takes up too much space
 And all that tension between his gears man
 He ll never ever leave this place

C#m
 He s got stones instead of bones
 And everybody knows
 G# F#
 Ah, man that can make you real real slow
 C#m
 And if heaven was below
 He d know just where to go
 G#
 Dive in the ocean
 F#
 And he d sink like a stone
 And he d say

E G# C#m
 It s time to swim ashore
 E G#
 If I drift long enough
 C#m
 I ll be home

C#m
 Hold on if you can
 You re gonna sink faster
 G# F#
 Than you can imagine so

C#m
Hold on if you can
You re gonna sink faster
G# F#
Than you can imagine so

E G# C#m
It s just time to swim ashore
E G#
If I drift long enough
C#m
I ll be home
