```

DG

Fragments on the sea, birds of prey above

DG

All that lies beneath, no longer what is was

AGA

It changed, why can t we relate?

DG

Shadows from the deep, the thoughts we re afraid of

DG

Secrets that we keep, the surface of our love

AGA

And hate, why can t we relate

GAGA

With ourselves with what we open up when it s too late?

```

-----|

```

What we used to be, what we will become

Worlds we cannot see, breaking up by one

By one, slowly we fell under a spell

One by one, slowly we wake up

Fragments of a scene, from a distant stage undone

Little time machine, messages of love

A G A
And hate, why can t we collate
G A G A
With ourselves with what we open up when it s too late?
