## Losing Keys Jack Johnson

Tocar apenas uma vez cada acorde.

C

Don t worry

\_

G

Everybody in the room notices you

G

Sit back and relax

C

The night is early

G

We are about to overdo it

Am7

So come and tell me something that you ve already told me  $\,$ 

m7

Cause everybody s heard our lovely stories

G

I m hoping some of them are true

G

I ve been losing lots of keys lately,

D

I don t know what that means

En

But maybe I ve been better off with things that can t be

C

locked at all

G

I ve been feeling kind of sea sick lately,

ע

See you reaching to me gonna save me

 $\mathbf{Em}$ 

C

You were me, I would much rather take the fall

## Am7

The world has its ways

D

To quiet us down

Am7

The world has its ways

D

C

To quiet us down comes the rain

מ

Down comes our spirits again

C

But down comes the strength

D

```
To lift us up and then...
   D Em C 2x
Tchuru .. tchururu...
Been going upwind now
For too long
Forget how
To let go
Seems too hard
Em
Too late now
To turn around
Am7
The world has its ways
To quiet us down
Am7
The world has its ways
To quiet us down comes the rain
Down comes our spirits again
Down comes the strength
To lift us up and then...
Repete até terminar
G D Em C
Tchuru .. tchururu...
```
