Maybe some day

Bm7

Least that s what all

The good people will say

You ve gone and stole my heart

A

G

And made it your own

G

And made it your own

A7sus4 Bm(#5)

Hey, little girl

B7sus

Dadd9

Black and white and right and wrong

Bm7

Only live inside a song

I will sing to you

You don t ever have to feel lonely

Dadd9

You will never lose any tears

Bm7

You don t have to feel any sadness

A

When you look back on the years

How can I look you in the eyes,

And tell you such big lies?

Bm

A

The best I can do is try to show you

G

How to love with no fear

Em

My little girl

Bm

You ve gone and stole my heart

A

G

And made it your own

Bm

You ve stole my heart

A

G

And made it your own
