E  
When your mind is a mess so is mine  
A  
I can t sleep cause it hurts

F#m

when I think my thoughts aren't at peace

with the plans that we make, the chances

A

we take they're not yours they're not mine

E

there's waves that can break all the words

A

that we said and the words that we mean

F#m

words can fall short can't see the unseen

A

cause the world is awake for somebody's sake

E

now please close your eyes woman please get some sleep

E

B

A

and know that if I knew all of the answers

E

B

A

I would not hold them from you know all of the things

E

B

A

that I know we told each other There is no other

F#m A

way Mmmmm mmm mmm mmm

E

Well too much silence can be misleading you're

A

drifting

I can hear it in the way that you're breathing we

F#m

don't really need to find reason cause out the same

A

door

that it came well it's leaving, it's leaving.

E

Leaving like a day that's done and part of a season

A

resolve is just a concept that's as dead as the leaves

F#m

but at least we could sleep it's all that we need when

A

we wake we would find our minds will be free to go to

E

B

A

E

sleep and know that if I knew all the answers I would

not hold

B

A

E

them from you know all the things that I know cause we

B

A

F#m

told each other there is no other way...
