

Shot Reverse Shot
Jack Johnson

Intro: **C G** (x2)

F C G

Shot reverse shot

F C G

Look what the other got

F C G

Shot reverse shot

F C G

Look what the other got

C

Drop the anchor make it stop

Edible digital clocks

G

Infinity figure eight

Figure out what you re not

C

Junk-an a po, cut your loss

Come to cut your corners off

G

You re the rock and I m the paper

You re the scissors I m the rock

F C G

Shot reverse shot

F C G

Look what the other got

F C G

Shot reverse shot

F C G

Look what the other got

C

Feel this storm go through my sail

Follow someone else s trail

G

Camera **A** camera **B**

In your home, on your tv

C

Hook me up, look in my eyes

Dilate do I surprise you?

G

Watch me blush, blink sink,

Trust in me so you don t have to think

F C G

Shot reverse shot

F C G

Look what the other got

F C G

Shot reverse shot

F C G

Look what the other got

F

C

Can you even feel what s real?

F

G

With such a shallow depth of field?

C

Kill the engine stop the car

Cut the lights and there you are

G

Stars so small

You re the king of them all

C

Stand tall, rack focus

Now you crawl back broken

G

Now the stars so vast

Heat wind break my heart
