G

I know I ve seen your face somewhere

Am

Selling something, some big idea

D7

I know I ve seen that vacant stare

G

Selling sunsets for somebody else

G

You find yourself asking yourself

Am

What is any of it worth?

D7

You find yourself looking up at night

G

From the bottom of the earth

Am D7 G G/F# Em

And oh, can this world not afford to sleep anymore

Am D7

And oh, did your sheep start jumping

Bm

They grow out their teeth

Em Am D7

Did they need a little something more, than this?

G

The taste of trouble on your lips

Am

Cause now they re bitin at your thoughts

D7

You tell yourself just to turn away

G

But you know you ve already lost

G

The smell of rain when it s on a wind

Am

Can never be paid in full

D7

You try in vain to account for this mess

G

And everything that you stole

Am

D7

G

G/F# Em

And oh, can this world not afford to sleep anymore

Am

D7

And oh, did your sheep start jumping

Bm

They grow out their teeth

Em

Am

D7

Did they need a little something more, than this?

G

Cause now they re bitin at your feet

Am

They got you running from this place

D7

And now they re breathing down your neck

G

Your eyes look lonely in your face

G

I see you looking just out of frame

Am

What is it pulling you there?

D7

Cause things can never the stay the same

G

So what is keeping you here?

Am

D7

G

G/F# Em

And oh, can this world not afford to sleep anymore

Am

D7

And oh, did your sheep start jumping

Bm

They grow out their teeth

Em

And need a little something now

Am

D7

Every time you think, well they'd be biting at your thoughts

Bm

And every time you blink

Em

Well you'll be so damn far

Am

D7

But you want more, than this

G

I know I've seen your face somewhere
