I didn t want this.. salty substitute it s just notta going to do.. i need some  
air.. if i m going to live through..  
CM A G  
this experience reminds me of a clock that just won t tick, I wanna wake up..  
CM A G  
from this conkashan but my dream is just not done I m lit again. it s just one  
of those,

He s got dillusions between his ears man it takes up to much space.  
CM A G  
and all that tension between his kids man it never ever leave this place

he s got stones instead of bones and everybody knows, ah man that could make you  
real real slow  
CM A G  
and if heaven was below he d know just where to go.. dive in the ocean and sink  
like a stone..
