

**Washing Dishes**  
**Jack Johnson**

Intro: **G Am D**

**G** **Am** **D**  
In the morning when the world came awake  
**G** **Am** **D**  
Before you knew me I knew your name  
**G** **Am** **D**  
It was painted across the day as it breaks  
**G** **Am** **D**  
An impression in your window frame

**Am**  
When you saw me out your window

**D**  
Singing from the garden

**Am**  
Only the beginning

**D**  
I m only getting started

**Am**  
I don t mind the digging

**D**  
Baby, I ll work harder

**Am**  
I ve been washing dishes

**D**  
Singing from the bottom

**G** **Am** **D**  
But one day I ll be running this place

**G** **Am** **D**  
And one day I could take you away

**G** **Am** **D**  
But I want you to wonder what s my name

**G** **Am** **D**  
Because I need you to want me the same

**Am**  
When you saw me washing dishes

**D**  
Singing from the bottom

**Am**  
Only the beginning

**D**  
I m only getting started

**Am**  
I don t mind the digging

**D**  
Baby, I ll work harder  
**Am**  
I ve been in the ashes  
**D**  
Singing from the garden

**G** **Am** **D**  
Where everything reaches for the sun  
**G** **Am** **D**  
Still unsure of what we ll become  
**G** **Am** **D**  
But I need you to reach out to me  
**G** **Am** **D**  
See in me more than I could see  
Because I m afraid that

**Am** **C**  
One day is only two words we say  
**G** **D**  
I don t want to let them get in the way  
**Am** **C** **G**  
Of all the plans that we should be making right now  
**D**  
Right now

**Am** **C**  
Who took the time and where did they take it  
**G**  
I want to take it back  
**D**  
I dont want them to break it  
**Am** **C** **G**  
All these plans that we should be making right now  
**D** \*(once)  
Right now
