

When I Look Up
Jack Johnson

Simple song

play **G, F, C, G** the entire song. Listen to get the rhythm

When I look up at the stars
As I walk in the night
Down the street by my house It feels good

When I look up at the stars
As I walk in the night
Down the street by my house It feels good

The light from the moon
Is afraid of the ground
So it falls behind spaces
And hides behind clouds

When I look up at the clouds
As they move through the night
With the wind

As I walk down the street
The light from the moon Is afraid of the ground
So I step on the shadows
Of my own feet
