

Stardust And Rust
Jack River

STARDUST & RUST
JACK RIVER
SUGAR MOUNTAIN TRACK 8

These chords are adapted from the piano chords in the studio version - they re quieter in the chorus but still fit well. Any bracketed chord is a ghost chord (optional to play) and * = one strum.
The riffs before the pre-chorus and in the outro are played simultaneously to the chords, so I ve tabbed them over the top of one another, though you can pick just one to play. To make it easier, capo on 4 and play Em Dm C G (transpose -4).

[Verse 1]

G#m **F#m**
My mind burnt out like stardust
E **B**
On December one
G#m **F#m**
You stood there in the hallway
E **B**
Like moonlight on the run
G#m **F#m**
You said if the lights go out on New York
E **B**
The lights go out on us
G#m **F#m**
And in seconds it was over
E **B**
Like stardust into rust

[Chorus]

G#m **F#m**
Didn t know your number
E **B**
I didn t even know your name
G#m **F#m**
But I ll be calling you from New York
E **B**
And hoping you feel the same
G#m **F#m**
And if the lights go out on New York
E **B**
The lights go out on us

G#m **F#m**
 In seconds it will be over
E **B**
 Like stardust into rust

[Verse 2]

G#m* **F#m***
 Losing sleep to lucid dreams
E* **(B)**
 When I m walking in a field
G#m **F#m**
 You were there, your wicked soul
E **B**
 Wandering to me

[Pre-Chorus]

G#m **F#**
 You haven t called and it s been hours
E **B**
 You haven t written or sent flowers
G#m **F#m**
 Oh God, did you think that
E **B**
 It might just be too hard?
G#m **F#m**
 Oh God, did you think that
E **B**
 Or did you know it from the start?

[Chorus]

G#m **F#m**
 Didn t know your number
E **B**
 I didn t even know your name

G#m **F#m**

But I ll be calling you from New York

E **B**

And hoping you feel the same

G#m **F#m**

And if the lights go out on New York

E **B**

The lights go out on us

G#m **F#m**

In seconds it will be over

E **B**

Like stardust into rust
