

Happy With You
Jack Rosies

This is my first ever tab, listen to the song for strumming pattern and stuff...

Hope this is useful ;)

Happy With You - Jack Rosies

Capo 4

I was born in a world of my own
And I think I ll die alone

E F# Abm F# E
Still got time so what, what to do
F#
Can I spend my time with you

B B Abm F# E x2

E B Abm F# E
Well, I was born socially awkward,
B Abm F# E
A boy with bad ears who never hears what you have to say,
B Abm F# E
Stumbling and mumbling for the longer way,

E F# Abm F# E F# Abm
And when I met you I wasn t that much better,
E F#
Than I was,

B F# Abm F#
That s cos I just think that we could be something,
B F# Abm F#
We could sit and talk all day while we re out on the swings,
E F# Abm F# E
But that s only if you want to,
F# B F# B
Girl I reckon I d be happy with you,

B B Abm F# E x2

E B Abm
Well, I know I m not that good looking,
F# E
But I ve heard opposites attract,
