Bm **G**
Sick and tired of getting older
D **A**
I keep getting lost trying to find my way
Bm **G**
Looking for love in every corner
D
night after night
A
but every street light looks the same

G **Em** **Bm**
So I m taking the chance, walking away, breaking the rules
G **Em** **D**
nobody here can tell me what to do

A **Bm**
I m out on my own, making my way
G **D**
trying to be someone that I can be proud of one day
A **Bm**
Im out on my own, doing it my way

I gotta be tough, gotta be stronger
and take the time to understand
This city cant get any colder
stab you in the back while shaking your hand

G **Em** **Bm**
So I m taking the chance, walking away, breaking the rules
G **Em** **D**
nobody here can tell me what to do

A **Bm**
I m out on my own, making my way
G **D**
trying to be someone that I can be proud of one day
A **Bm**
Im out on my own, doing it my way

doing it my own way

G **Em** **Bm**
So I m taking the chance, walking away, breaking the rules

G **Em** **D**
nobody here can tell me what to do

A **Bm**
I m out on my own, making my way

G **D**
trying to be someone that I can be proud of one day

A **Bm**
Im out on my own, doing it my way

doing it my way
doing it my own way
