It s like i m doing the worst i can

To make you understand

Maybe one day you will know
Dm G C Am
How hard it is for me to show my heart
Dm G
And all the love
C Am
Running through my soul
Dm G C
Maybe one day you will know

Am G D
I m hoping you just might
Am G D
Take a moment to realize
Am G D
That everything you re looking for
C D
Is hidden in plain sight
Am G D Am G D
I know you better than i know myself

How i feel is the only thing i could never ever tell ya

Running through my soul
